

DeIDOT Fully Restores I-495 Bridge Traffic in Wilmington

Effective 3:15 pm August 23, 2014, DeIDOT re-opened the northbound lanes of I-495, previously closed from Exit 2 to Exit 3 due to I-495 bridge construction in Wilmington. Thus, traffic is now fully restored in both northbound and southbound directions. (The southbound lanes were previously re-opened the 31st of July.)

Please see the link below for a press release from DeIDOT announcing the northbound I-495 re-opening:
